Daily Itinerary

Day 1: 8:00pm: Depart Quebec City. In addition to its French ambiance, Quebec City is the only walled city north of Mexico. Enjoy great views of the St. Lawrence River from atop Dufferin Terrace and visit Quebec's Notre

Dame, the oldest stone church in North America.

Day 2: Cruise the Saguenay Fjord. A stunning glacier carved gash in the earth's crust creates imposing mountainsides which plunge to huge depths! Breathtaking!

Day 3: 7:00am to 3:00pm. Sept Iles. The port of call of Sept-Iles proposes a unique cultural experience with the meeting of two nations, where the past is conjugated in the present. The rich history of the Innu Community just as that of the population of Sept-Iles, is unveiled to you in all of its splendor—in the middle of a landscape that will take your breath away.

Day 4: 12:00pm to 6:00pm. Charlottetown. Color's everywhere—from the Victorian architecture to the red sandstone cliffs. This capital city is known as the "Birthplace of Confederation."

View rolling farmlands, stunning seascapes, and bustling harbors as you get ready to meet Anne of Green Gables!

Day 5: AT SEA

Day 6: 8:00am to 4:00pm. Halifax. The beautifully restored waterfront recalls a centuries-old

heritage while the dining, shops and museums provide backup. Peggy's Cove is home to the most photographed lighthouse in the world.

Day 7: 10:00am to 6:00pm. Portland, Maine.

Day 8: Arrive 8:00am. Boston. Arrive Boston at 8am and disembark. In Boston, extend your stay and follow the Freedom Trail by foot. Three of the most historic miles in the US. Visit the Old North Church and the USS Constitution.

NCL's Canada — Norwegian Cruise Lines

Miami-based Norwegian Cruise Line (NCL) is notable for revolutionizing the cruise experience via its "Freestyle Cruising" philosophy. Meant to eschew traditional cruise line stuffiness -- in dress codes, dining options and even entertainment offerings -- NCL has inspired other lines to copy its more successful "freestyle" concepts. Aiming to operate the cruise industry's youngest fleet, the line is focused at present on selling off pre-Freestyle designed ships.
